

ONA Cricket Match Report 2013

Tuesday 11th June 2013 6pm - Twenty 20

Result: Newburians (ONA) 101 for 3 - St Bartholomew's School 82 all out

The rain cleared to leave a bright evening for this annual fixture. The ONA elected to bat and the school made a solid start restricting the old boys to just 8 off 4 overs and taking an early wicket. But the experience of Ben Myers began to tell as he steadily built the score. The patience paid off with a declared 40 off 46 balls including 5 fours. As the ONA had plenty of wickets in hand they began to hit out and Tom Herrington add a quick and useful 12 before being bowled trying to push the score on. The ONA reached 101 for 3.

The school were also restricted at the start of the innings, but also lost some early and important wickets. The less experienced side found themselves 41 for 4 after 7 overs, with a lot to do and ewickets falling fast. Sharif Admadzai added 21 runs off just 21 balls as he attempted to get the innings back on track, but the School's challenge looked forlorn when he bowled by Dave Winchcombe.

The school ran out of wickets and lost the match in the 17th over. But being the good natured fixture this is, the school put in their 12th man to attempt to catch the ONA score within 20 overs. They achieved that to the delight of the supporters (mainly mum's and dad's of the Scholl 1st XI).

A great evening with teas provided by the ONA rounding it off nicely.
